

International Conference on Quality Assurance In Nursing - Moving Towards Excellence

CC/1106/10

02.11.10

Respected Madam / Sir,

Greetings! Apollo College of Nursing was started in the year 1996 with the twin objective of education and manpower development. Since its inception the CNE programmes are organized regularly updating the knowledge and skills of the faculty and students from many institutions. This year the CNE cell of Apollo College of Nursing has planned to organize an International Conference on "Quality Assurance In Nursing - Moving Towards Excellence" on 15.12.10 and 16.12.10. The invitation will be sent shortly.

In this regard, we request you to depute faculty and PG students from your good institution to participate in the conference. The faculty and students are also invited to present research articles on Quality Assurance In Nursing - Moving Towards Excellence. The abstract in the prescribed format may be sent to the undersigned on or before 30.11.10.

Looking forward for continued association,

Dr. Latha Venkatesan

Principal
